ORDER

Vide Order dated 18.08.2023, it was observed by the Commission that GVK has not complied with the directions of the Commission regarding publication of the public notice. The Ld. Counsel appearing for GVK submitted that the public notice could not be published due to a misunderstanding that a joint notice was to be issued in this petition alongwith petition No. 17 of 2023 and there was no mala fide intention on the part of the GVK in non-compliance of the directions of the Commission. After hearing the Ld. Counsel for GVK, the Commission is of the view that show cause notice is not required to be issued under Section 142 of the Electricity Act 2003.

The Petition was taken up for hearing as well as public hearing. However nobody from the public appeared in the public hearing. After hearing the parties, Order is reserved.
