corrected to avoid any ambiguity in the Order. Para No. 09 of the Order be read as under:

“9. As per Regulation 9.1.1(a)(iii)(w) of the Supply Code, 2014, PSPCL was required to transfer the estimated amount of work recovered from an EHT consumer to the transmission licensee within 15 days of the receipt of the amount from the consumer. The respondent deposited the amount on 22.08.2022 but PSPCL transferred this amount to PSTCL on 10.11.2022. No expenditure was incurred by PSPCL in carrying out any work of the respondent during this period and this amount was kept in its account. Accordingly, PSPCL is liable to pay interest at bank rate to the respondent for the period of delay beyond the permissible period of 15 days in transferring this amount to PSTCL. The interest amount should be credited to the account of the respondent and accounted for while finalizing the recoverable amount from the respondent as per Regulation 9.3 of the Supply Code, 2014.”
