**ORDER**

The Commission vide its Order dated 13.12.2017, determined the Additional Surcharge @ ₹1.08 per kWh payable by the Open Access Consumers for the period from 01.10.2017 to 31.12.2017.

PSPCL in the petition submitted the data/calculations for working out Additional Surcharge based on the Single Part Tariff structure. However, as per Commission's Order dated 09.11.2017, the Two Part Tariff structure is applicable w.e.f. 01.01.2018. The Commission vide its letter 1542 dated 05.12.2017 directed PSPCL to rework and submit the revised calculations for Additional Surcharge

for the period 1<sup>st</sup> January, 2018 to 31<sup>st</sup> March, 2018, after factoring-in the impact of Fixed Charges in Two Part Tariff structure approved by the Commission.

Since PSPCL is yet to submit the above said data as directed by the Commission, the determination of Additional Surcharge for the period from 01.01.2018 to 31.03.2018 is likely to take some more time. As such, the Additional Surcharge as determined by the Commission vide Order dated 13.12.2017 @ ₹1.08 per kWh payable by the Open Access Consumers for the period from 01.10.2017 to 31.12.2017 will continue to be levied on the open access power brought by the Open Access Consumers, till the determination of Additional Surcharge for the period from 01.01.2018 to 31.03.2018, and the difference, if any, in the Additional Surcharge ordered to be levied by the Commission (i.e. ₹1.08 per kWh) and the Additional Surcharge for the period from 01.01.2018 to 31.03.2018 to be determined by the Commission shall be payable/refundable by/to Open Access Consumers.
