**ORDER**

The petition was taken up for hearing. PSPCL has filed the present Petition for approval of the procurement process and the supplementary power purchase agreement in respect of the aggregate capacity of 9.8 MW power from the 8 Mini Hydel Plants of Punjab Genco Limited. The proposed Tariffs for the already depreciated projects does not seem to be justified in view of the tariff of Rs. 3.75kWh recently allowed for the new project of M/s Thind Power Pvt. Ltd. in Petition No. 62 of 2022. On this both the parties sought time to review the same.

The Petition shall be taken up for hearing on 11.10.2023 at 11.30 AM.
