ORDER:

The petitions were taken up for hearing. During hearing/public hearing on 03.07.2024, Chamber of Industrial & Commercial Undertaking Ludhiana, filed suggestions/objections and PSPCL was directed to submit its comments within a week. PSPCL was further directed to submit its comments on the objections filed by Kanin Industries to the report dated 26.03.2024 submitted by PSPCL and interpretation regarding its plea on the PIU status of the industries under reference on the basis of PQ Harmonic data collected by it. PSPCL has filed its reply vide memo no. 6253 dated 12.08.2024.

The Commission has taken note of submissions of PSPCL and the Review Petitioner. The Commission observes from PSPCL reply that PSPCL has

empanelled only 2 firms for PQ meters and has procured only 289 PQ meters from them. Further, the Commission notes that as per PQ Regulations, the designated consumers are required to pay a penalty equivalent to 10% of the monthly consumption charges after 30.09.2024 if the PQ meters are not available and installed by them. Accordingly, PSPCL is directed to submit its plan within two weeks for implementation of power quality regulations within the timelines specified by the Commission alongwith the meter supply position and meter installation status on the designated consumers specified in the PQ Regulations.

The petition shall be taken up for hearing on 25.09.2024 at 11.30 AM.
