No. PSERC/Dir/Tariff/T-215/ 2198

Dated: 16-02-18

Subject: - PSPCL's presentation dated 22.02.2018 regarding objections received against petition for ARR for FY 2018-19.

The Commission has desired that PSPCL shall also cover following issues in its presentation:

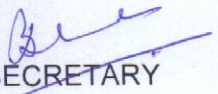

- i) Tariff proposal containing Two Part Tariff structure along with proposal/comments regarding:
 - a) Maximum Overall Rate (MOR)/MMC, if any be specified.
 - b) Marriage palaces.
- ii) Proposal regarding seasonal industry under Two Part Tariff and comments regarding:
 - a) Whether, period seasonal industry already specified needs change.
 - b) Consideration of maize dryer plants and other agro process plants under seasonal industry/AP High Tech category.
- iii) Whether, Mushroom farming, piggery, dairy farming, poultry etc. be considered under AP category.
- iv) Comments regarding:
 - a) Consideration of IT and Hotel Industry under Industrial category for tariff purpose.
 - b) Consideration of Arc Furnace units and PIU under General Industrial category.
 - c) Criteria for determining threshold consumption with or without pro-rata basis, for the purpose of applicability of reduced energy charges.

- v) Proposal regarding ToD revision along with following data:
- a) Monthly, daily load curve of the particular day of the month on which maximum demand in that month has occurred and the available capacity.
 - b) Month wise information regarding ToD period of 6.00 PM to 10.00 PM.

| Month | Energy consumed by LS consumers | Average per unit rate of power in exchanges | |
|-----------|---------------------------------|---|-------------|
| | | For purchase | For selling |
| June | | | |
| July | | | |
| August | | | |
| September | | | |

- c) Sale of power outside the States during ToD period in the month of June, July, August and September.
- vi) Comments regarding introduction of night category for exclusive use of power during night time, by industry.
- vii) Proposal regarding special category tariff for battery swapping infrastructure to serve E-Vehicles (refer the Commission's letter no. 1068 dated 29.09.2017).

An advance copy may be sent immediately.
